

* Pick of the week

Martian Museum Of Terrestrial Art *Barbican Art Gallery, EC2*
Contemporary art collected and interpreted by galactic monsters.

Cornelia Parker *Frith Street Gallery, W1; Whitechapel Gallery, E1* Surreal sculptural work, plus a screening of the artist's interview with Chomsky.

Peter Campus *Albion, SW11* A collection of installations from the mid-60s by this groundbreaking video artist.

Gerry Fox *176, NW5* Fox's mesmerising Living London installation – a disorientating multi-screen amble through London.

The Skat Players *Vilma Gold, E2* Grotesque visions in art featuring work by Spartacus Chetwynd and Mike Kelley.
